Flying

What in the world just took place? This is November, 2009, and we are moving at sonic speeds arriving at the big finale (END OF OUR CALENDER YEAR)!

I cannot believe we are here; what a great Flight!

With all the fun, flying and Cracker Jacks, we do have some serious business that requires all of us as members.

First: Elections

Our Chapter is looking for a few good women and men. At the November meeting all members in attendance will be voting on Chapter Officers. It is important that we fill all positions as soon as possible. Nominate yourself and/or one of the members~we will accept a write- in.

Second: Christmas Party

We need volunteers for this event. We always have a great turn out at this event. Let's keep this

tradition going and fill the Hawk Building on December 6th with members and their families.

We will have an early December newsletter packed with information about the Christmas party and what to expect in the New Year.

We've had several weeks of awesome flying beautiful weather, so send in your flying ventures and pictures. Share them with the rest of us; I just know you want to talk about them. Email them to Kim Laing for the newsletter, kimlaing93@yahoo.com.

This is just a short flight of the newsletter. We are preparing for the BIG December 6th event. Let's get any information, articles, and pictures sent in for publication. The deadline is: **Thursday, November 19th**. We appreciate all of your efforts and participation throughout the year, so let's celebrate in December at the Christmas Party! I look forward to seeing everyone there!

Just a Part of Our Mission

Invite someone to the next chapter meeting. Ask a friend to come along and help to promote aviation with a membership.

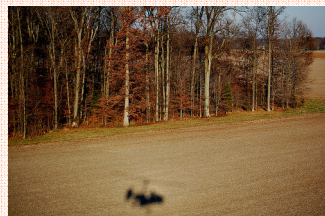

As always~

Teamwork Makes the Dream Work!
