The Chapter Needs a Laptop PC

A laptop computer is need for use to in presenting videos and other programs using the projector.

The computer needs to be less than 4 years old. The operating system does not matter. It needs to be equipped with 40 GB hard drive (the bigger the better), a VGA port, a DVD drive, headphone port, 1 GB RAM (more is better).

We're a 501(c)(3) organization, so this would be a tax deductible donation.

Rain Date for Young Eagle's Rally

This year's Young Eagles Rally was, unfortunately, scrubbed due to weather. We rescheduled the rally for **Saturday, October 9th**; same times, same location.

If you were signed up to volunteer for the event we hope you can join us again this fall. Please mark your calendars.

We can always use more pilots and general event volunteers, please contact Eric Laing if you have a specific volunteering request. You can reach him at eric_laing2@yahoo.com or at 513-722-2336.

It's a great event for the kids and the grown-ups, too. Please volunteer today! We cannot have a successful rally without your help!

Next Regular Chapter Meeting: *Wed., August 18, 7:00 p.m., Hawk Bldg, I69*

August Newsletter Deadline

Sunday, August 8. Please submit all items to: Kim Laing, kimlaing93@yahoo.com.
